Selecting a Lender

It is your responsibility to choose a lender for your Parent PLUS loan. The Financial Aid Office can not do so for you. UH West Oahu does not recommend or endorse any lender(s). Parents may select any lender that participates in the Federal Family Education Loan (FFEL) Program. If you have prior loans, we recommend that you stay with your current lender. UH West Oahu strongly recommends that you visit the different lender websites to investigate the different borrower benefits and select the lender that offers the borrower benefits that best meet your needs.

Borrower benefits vary from lender to lender. Some lenders offer 'up front' benefits like zero origination fees, some offer 'back end' benefits like interest reductions for a certain number of on time payments, and some lenders offer both. Parents benefit from up front borrower benefits immediately. Back end benefits can offer considerable savings but only if the borrower meets the terms and conditions for receiving the different borrower benefit.

If this list does not include the lender you would like to choose, please provide the lender name and lender code. If you have a previous DIRECT Parent PLUS Loan, you must choose another lender.
