ADDENDUM

TO MULTI-CAMPUS ARTICULATION AGREEMENT BETWEEN

Hawai‘i, Honolulu, Kaua‘i Community Colleges, University of Hawai‘i Maui College
and
University of Hawai‘i-West O‘ahu

Associate in Science in Early Childhood Education to
Bachelor of Arts in Social Sciences with a Concentration in Early Childhood Education

Purpose of Addendum

The purpose of this addendum to the above specified Articulation Agreement between Hawai‘i, Honolulu, Kaua‘i Community Colleges, University of Hawai‘i Maui College Community College and the University of Hawai‘i-West O‘ahu is to approve an extension of the Agreement in effect Fall 2010 through Spring 2011 and to modify program terms and conditions.

Agreement Extension Rationale

The University of Hawai‘i-West O‘ahu Division of Education has submitted two Early Childhood Education (ECE) Authority to Plan (ATP) proposals to the UH System Council of Chief Academic Officers (CCAO). One such proposed degree, the Bachelor of Arts (BA) in Early Childhood Education, will replace the current BA in Social Sciences with a Concentration in Early Childhood Education and will be incorporated into the existing ECE Multi-Campus Articulation Agreement with identified UH System community colleges. A second proposed UH-West O‘ahu degree will establish a B.Ed with a Concentration in Early Childhood Education, leading to PK-3 certification within the Hawai‘i Department of Education. An extension to the current ECE Multi-Campus Articulation maintains program continuity for students currently enrolled in this Articulation Agreement while the new degree programs are established.

General Modifications

Under the terms of this addendum, the following terminology will apply:

“This Articulation Agreement is hereby extended for a period of two (2) years, effective Summer 2011 through Summer 2013. It will be reviewed as necessary in order to support the transfer, matriculation and graduation of students from Hawai‘i, Honolulu, Kaua‘i Community Colleges, University of Hawai‘i Maui College and the University of Hawai‘i-West O‘ahu.”
Curricular Modifications

Under the terms of this addendum, the following terminology will apply:

Modification I
"Focus requirements in Oral Communication and Contemporary Ethical Issues have been waived for the 2010-2011 and 2011-2012 academic years. Identified students who enroll in this Articulation Agreement Option at UHWO during these academic years only will not be required to meet this UHWO graduation requirement."

Modification II
"MATH 103 College Algebra or higher level math is a requirement for all entering UHWO students under the 2010-2011 General Catalog. A grade of “C” or higher in MATH 103 is the pre-requisite for SSCI 201 Statistical Analysis I, an ECE program requirement. Students enrolled in the ECE Articulation Agreement prior to Fall 2010 who completed MATH 115 Statistics may be waived from the MATH 103 pre-requisite by obtaining permission from designated ECE and Social Science faculty. Completion of MATH 103 College Algebra is highly recommended."

Community College AS in Early Childhood Education Program Amendments

Original Agreement with Kaua'i Community College (Attachment IIIA) states:

"Additional lower division course work for articulation (12 credits):

| 3  | HIST 152   | World Civilizations | FGB          |
| 3  | Natural Science-Physical |                           | DP          |
| 3  | ENG 215    | Composition II      | graduation req |

Under the terms of this addendum, the following amendment applies to Kaua‘i Community College’s AS program general education credit hour requirements:

"Additional lower division course work for articulation (9 credits):

| 3  | HIST 152   | World Civilizations | FGB          |
| 3  | Natural Science-Physical |                           | DP          |
| 3  | ENG 215    | Composition II      | graduation req |
