Your financial aid award is disbursed based on your enrollment at UH West O'ahu and will be used to pay your tuition and fees at the University for the semester(s) that your award indicates. Available aid will begin paying these charges no sooner than 10 days before the start of the semester; provided that you have completed all the necessary requirements and are registered at UHWO at the enrollment level indicated in your award offer.

If your aid is greater than your tuition and fees for the semester, a refund check for the residual amount will be mailed to you within approximately 14 business days by the Central Bursars Office. If you enrolled in "eRefunds", your refund will be directly deposited into your personal bank account within approximately 4-5 business days. ("eRefunds" is a direct deposit option which you can enroll in through your MyUH account.) If your aid does not cover the cost of tuition and fees, you are responsible for the difference. You may contact the UHWO Cashier's Office regarding the status of your refund at (808) 689-2890 or via email to uhwocash@hawaii.edu.

NOTE: You will not be required to make your tuition & fees payment by the posted UHWO payment deadline; if you have been awarded financial aid. Your UHWO registration will NOT be purged, even if aid becomes unavailable or does not pay your tuition & fees in full. If you decide NOT to attend classes; you must officially withdraw from the university prior to the start of the semester. Failure to do so will result in your incurring a balance for your registration.

INFORMATION REGARDING CONCURRENT/MULTI-CAMPUS ENROLLMENT

If you intend to enroll or are concurrently enrolled at another University of Hawai‘i campus while attending UHWO during the semester; it may be in your best interest to notify the Financial Aid Office by submitting the Concurrent Enrollment Request Form, especially if you will not be full-time enrolled with UH West O'ahu.

To request consideration of your concurrent enrollment; you must complete and submit the UHWO Concurrent Enrollment Form to the Financial Aid Office. The form is available at the UHWO Student Services Office and online at http://www.uhwo.hawaii.edu/admissions/financial-aid/forms. Please note that you must be enrolled in at least 6 credits with UHWO before your concurrent enrollment will be considered. Only courses applicable & transferable towards your UHWO degree requirements will be considered for financial aid purposes.

Once the form has been processed, your financial aid for the applicable term will be disbursed based on your total, combined enrollment. However, financial aid awarded through UHWO will only pay toward your UHWO charges for the applicable term. You will need to make a separate payment for your concurrent enrollment at the other campus, either out-of-pocket or utilizing any financial aid refunded to you. Payments can be made online via MyUH or at any UH Cashier's Office or window. Make sure to pay your charges for each campus by the appropriate payment deadlines.

INFORMATION ABOUT ENROLLMENT AT CENSUS

Our office will evaluate your enrollment status at the Census date for the applicable semester. That enrollment status will be considered your official enrollment for financial aid purposes. Prior to Census, your awards may fluctuate in accordance with the number of credit hours you are registered for. Dropping credits after your aid has been disbursed may result in a balance due to the university.

Once Census arrives, your aid will be revised based on your enrollment as of that date. No adjustments will be made for subsequent changes to your enrollment after census. If your enrollment changes after the Census date (e.g. withdrawal from a course); you may jeopardize your financial aid eligibility due to your not meeting the satisfactory academic progress requirements. (See notation regarding the Satisfactory Academic Progress Policy at the end.)

CENSUS DATES for 2017-18

- Fall 2017: Aid will be adjusted accordingly until September 22, 2017
- Spring 2018: Aid will be adjusted accordingly until February 9, 2018

NOTE: UH West O'ahu also offers weekend and accelerated courses. These courses traditionally start later than when the semester starts (example: weekend courses may start in August, October, November, January, March, or April). Students who are registered for courses that start after the beginning of the semester (August and January) must notify the financial aid office immediately to see if there will be a delay to the disbursement of your financial aid.
